

Youth BIOlab Field Trip Form – COVID SCREENING

Please note that while the Youth BIOlab follows hospital grade COVID-19 infection prevention and control measures with respect to safety and sanitation practices, we cannot guarantee a 100% risk-free environment.

We ask that each student fill out a **Shared Health COVID-19 Staff Screening Tool** form the morning of the intended field trip. Additionally, we ask teachers to confirm each student passes the screening test, fill out the form below, and bring it with you when you visit the Youth BIOlab for our tracing purposes. If any student in a cohort does not pass the screening test, unfortunately the class will be unable to enter the Research Centre and we will need to reschedule for a later date.

AFTER YOUR FIELD TRIP - If any attendees to the Youth BIOlab tests positive for COVID-19 within 14 days of your visit, please [contact us](#).

Teacher information:

Name: _____

School: _____

Grade: _____

Phone: _____

Email: _____

Date of field trip: _____

Student information:

Student Name (First, Last)	Did they pass the COVID-19 Staff Screening tool? (Y/N)

By signing below, I acknowledge that 1) the school has obtained parental consent for their child to participate in this field trip; 2) that I have read through the new COVID-19 protocols in place for my visit to the Youth BIOlab at youthbiolab.ca/fieldtrips/; 3) that I have asked each student to fill out a Shared Health COVID-19 Screening Tool form; and 4) that I have confirmed that each student has passed the Shared Health COVID-19 Screening Tool form.
